The files may be used free of charge for non-commercial use, provided that the Calendarpedia logo, the copyright notice ("© Calendarpedia®, www.calendarpedia.com") and the disclaimer ("Data provided 'as is' without warranty") are not removed. All content of this website is copyright © 2011-2022 Calendarpedia®. If you have one of the older versions of Excel that only supports the ".xls" format (Excel 2000, 2002/XP & 2003), or if you don't have Excel installed, use Microsoft Office Online or one of the free Microsoft Excel/Microsoft Office alternatives FreeOffice PlanMaker, LibreOffice Calc and Google Sheets, which are all free of charge (OpenOffice Calc unfortunately has minor formatting problems when opening our calendars). The variations range from yearly calendars on a single page (the whole year at a glance) to quarterly calendars on 4 pages (3 months/1 quarter on one page). The templates are blank, printable and macro-free and are easy to edit, amend, save and use again later. Data provided 'as is' without warranty and subject to error and change without notice. They are saved in Microsoft Excel ".xlsx" format and can be used with the newer versions of Excel that support the XML document standard (files with ".xlsx" extension - Excel 2007, 2010, 2013, 2016, 2019, 2021 and Office 365). These templates are suitable for a great variety of uses: holiday planner, trip planner, journey planner, travel planner, yearly overview, yearly planner, company calendar, office planner, holiday calendar, school calendar, college calendar, university planner, annual holiday chart and leave planner, attendance calendar, shift calendar, shift planner, yearly calendar, custom calendar, family planner, period calculator, ovulation calculator, pregnancy calendar, simple project management tool, team collaboration tool, EMM, ERP/MRP, SCM, PLM, CRM, HR, reporting, to do list, task management, appointment planner, desktop calendar, wall calendar, wall planner, blank calendar, as time sheet, time management tool or time tracking software, for process management, process optimization, help desk administration, business administration, business intelligence and analytics, automation, forecasting, finance, accounting, financial planning, tax planning, sales & marketing, customer service, customer relationship management, process & supply chain management, data analysis, availability and booking, as pocket calendar, advertising calendar, community calendar, staff planner, employee scheduler, employee absence tracker, people planner, vacation planner, annual journal, events planner, scheduler, shared scheduling, date calculator, yearly record, work schedule, wedding planner, fiscal year planner, register or report and many more...
